1. Marina Alberti

Reach

The pounce of a leopard—swift, energetic, and fearless. She extends herself fully and leaps with a might to reach her unrealized potential. Marina Alberti is a 20 year old UCSD double major in Studio Art Practice & Art History/Theory/Criticism. She plans to pursue a masters in Fine Arts and is looking forward to a future as an art educator.

4. Donna Butnik

Mermaid Swim

My painting technique enables me to reach subconscious levels of imagery. I achieve this effect by dripping the paint on, rolling it around, and developing the images that emerge. Living by the ocean, I always seem to see mermaids playing in the waves. This painting can be hung horizontally or vertically.

2. Billy Barnett

Skelekoï

Billy has been tattooing in north county since 1996 and is the owner/artist of EVENTIDE TATTOO in Cardiff by the Sea. Billy enjoys several different art mediums and has pursued his passion for art for as long as he can remember. Come by the shop to see more of his artwork as well as the other talented artists who work there.

5. Cathy Carey

Below and Beyond Swami's

A view of Swami's surf break with the swirling ocean world below and the sparkling cosmos beyond! Contemporary Expressive Colorist Cathy Carey is a nationally known and award-winning artist represented by galleries in Santa Fe and Taos, NM, Scottsdale and Tucson, AZ and at La Playa Gallery in La Jolla. She has a gallery in Cardiff open by appt only. cathy@artstudiosandiego.com www.artstudiosandiego.com

It's an honor to participate in Arts Alive. Thank you for this opportunity to make the streets of Cardiff even more beautiful! I love our fun & funky town, and I appreciate how much it celebrates local artists. My art can be found at BLISS 101 in Encinitas (553 S. Coast Hwy) or on Instagram @debbieblessdesigns. 6. Roger Chandler

That girl on the red board...

I travel, surf, and paint in some of the most beautiful and exotic places on earth... in reality and imaginary. I would like to think my paintings reflect amazing adventures and convey the indescribable feeling of a beautiful sunset or a perfect wave on a perfect beach.

7. Christopher Dillman

A Fifth of Moonlight

A fine arts major from the University of the Pacific, Christopher Dillman has been painting his admiration for Arts Alive and North County San Diego since 2008. For Christopher's collection of works, please visit: CDillman.com

11. Bob Hord

Monster Surf

An homage to my grandson, Dylan, who is in fact a monster surfer having won numerous championships from coast to coast.

8. Cheryl Ehlers

A Safe Haven

"A Safe Haven" finds a secure place below in the waters beyond the sight of the human eyes, to rest, play, and thrive. I enjoy art that is creative, communicative, and filled with emotions. I let feelings take me away as the piece develops into its own identity, and leads me in many directions. As an avid art advocate, I support artists and art organizations in their creative endeavors.

Just wondering

....just wondering what's what.

10. May W. Hoegen

Green Flash

Next time you happen to catch a green flash at sunset remember this moment :) a beautiful one!

14. LaMonte Lamoureux

Sea + Land

The intersection of sea + land is where I spend much of my time with family and friends. From playing in the breaking surf, to standing in the sand feeling my toes sink deeper after waves wrap around my ankles, was the inspiration for this year's Arts Alive 2022 painting. Acrylic paint. www.LaMonteLamoureux.com @ [LaMonteLamoureux](https://www.instagram.com/LaMonteLamoureux)

15. Jim McConlogue

Beautiful Cardiff

I'm so happy to participate in Arts Alive once again. Thanks for your support these many years! I recreate these paintings as Fine Art Giclée prints on canvas and as posters. You can purchase one from previous years at the Leucadia Art Gallery and Corner Frame Shop on Coast Hwy., and at Hansen's Surfboards. For original oil paintings, please visit www.JimMcConlogue.com or call me at 760-859-7541

19. Elisabeth Sullivan

Intelligence Having Fun

My art is inspired by my fascination with the incredible forces of nature and the magnificent creatures that inhabit this beautiful planet. My favorite quote ever by Albert Einstein is "creativity is intelligence having fun". My painting showcases one of the most intelligent and creative creatures on this planet having fun.

16. Peggy Sue Designs

Friendship of Serenity

"The Calm beauty of nature Rests the mind And Lifts your Spirit to higher Levels!" I am so honored to create another painting for Arts Alive! With many hours of thoughts and prayers of how to escape the drama of life and feel the Love and energy of Nature. I really put my whole heart and love into this one. I Hope you can feel it! Lots of Love! Thank You!

20. Grace Swanson

Santorini

Being able to travel has been one of the great joys of my life. Many places stay vivid in my memory year after year. after year. Such a place is the Greek island of Santorini. The stunning turquoise waters and picturesque villages are an artist's dream.

17. Brynja & Lee Rotscheck

Precipice

Our focus on this piece was to convey the feeling of wonder and tension in this fanciful coastal retreat. James Coleman's island landscapes contributed significant influence as we crafted this unique setting.

21. Tish Wynne

Southwest Bighorn Sheep

The Bighorn Sheep is a marvelous creature who lives amongst the cactus in the rugged slopes of the Southwest deserts. These sheep are majestic and deserve our attention. Getting a glimpse of one is a divine treat for the eyes and we should strive to protect them and their habitat. That way we can enjoy their presence for generations to come.

18. Julie Ann Stricklin

Portal

I had a vision to create an inviting, mysterious and ornate door that could be a portal for viewers' imagination. I hope the viewer's imagination is inspired to take over and complete the journey through the portal. I signed my painting on one of the Meditation Rocks. Real versions are available in galleries, shops, online vendors and local museum. List of locations available on www.JulieAnnStricklinRocks.weebly.com
